

# NIES POLE CLAMPS PZ

For tank, steel and shipbuilding | Load: 600 or 2000 A | Suitable with NKK

# NIES Pole clamps PZ

## Pole clamps

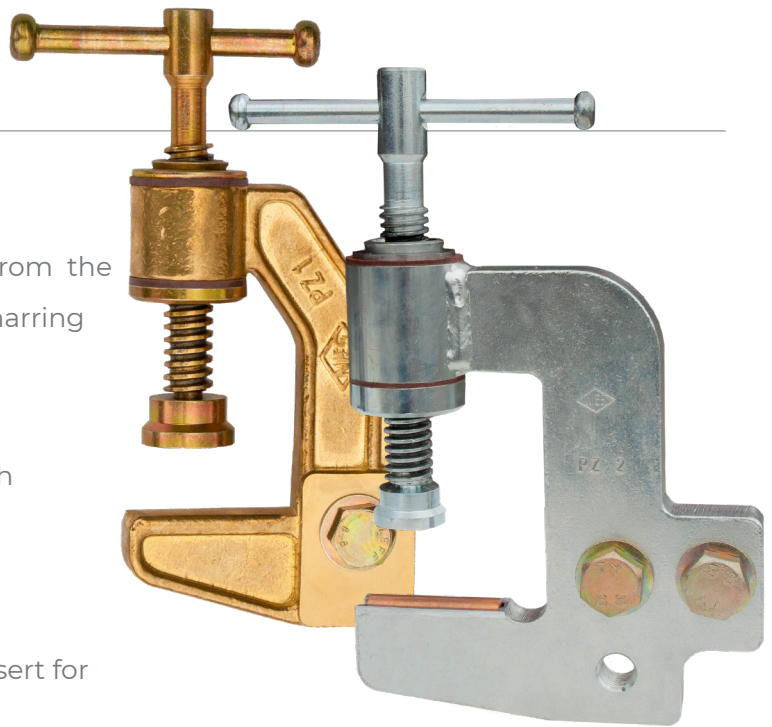

The spindle and nut in these clamps are insulated from the welding current to preclude excessive heating or charring and to ensure a long service life.

### Pole clamp type PZ 1

Pole clamp PZ1 of cast brass. Can be connected with clamping sleeve or cable lug.

### Pole clamps type PZ 2, PZ 3

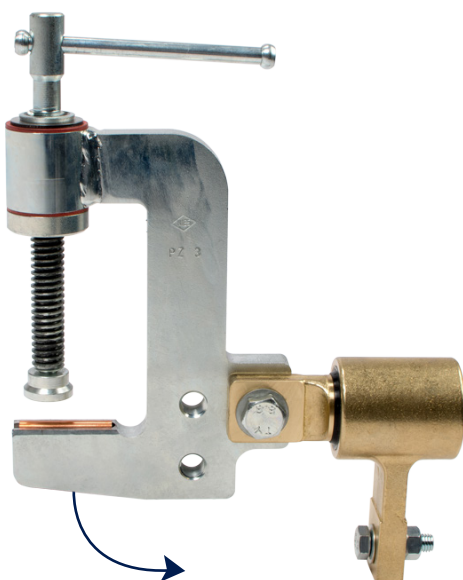

Rugged all-steel clamp with a pressed-in copper insert for good contact to the workpiece.

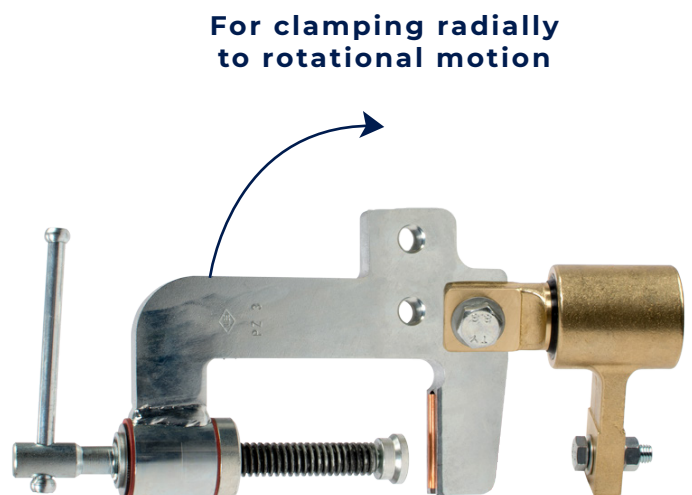

| Article code | Type | Load   | Clamping span mm | Working radius mm | Spindle mm Ø | Connection                                    | Weight kg | Suitable current coupling |

## Earth connection for rotating workpieces: Use with NKK current coupling.

Sold separately see [www.lascentrum.com](http://www.lascentrum.com) for more information

**For clamping axially to rotational motion**

**For clamping radially to rotational motion**

## EXPERIENCE THE CONVENIENCE OF EVERYTHING UNDER ONE ROOF

---

At Lascentrum, you can find everything you need regarding products for welding and safety. Lascentrum has been established in 1988 and now imports a complete range of welding consumables, gouging electrodes, gas welding & cutting equipment, welding blankets, safety products and accessories.
